

From Keyboards to Dice

Accessibility in All Gaming Experiences

When everybody plays, we all win.

Myths

- It is expensive
- It takes away the challenge

Ways to make things accessible

Control Mapping	Subtitles & Captions	Tactile buttons / stickers	Sticky keys	Turning off flashing
Icons / Symbols	Audio cues	Alternative controllers	Alternate Game Modes	Slowing animations
High contrast mode	Color adjustments	Larger pieces	Difficulty modes	Misophonia mode
Arachnophobia mode	Brightness & Contrast Adjustment	Audio Descriptions	Quest indicators	Quest Log

Wingspan Visually Friendly Cards
